

SECRET

16 April 1985

MEMORANDUM FOR: Vice Chairman, National Intelligence Council
FROM: Director of Central Intelligence
SUBJECT: Soviet United Nations Activity

This is interesting. Are you familiar with the recent DI paper spelling out the use the Soviets make of the UN in New York, Geneva and elsewhere? This newsletter is reflected there. Why don't you get together or get this information to the analysts who wrote the DI UN paper. The DI paper is worth looking at. I sent it to [] and [].
